

How to obtain a copy of your most recent Southern California Edison (SCE) bill online.

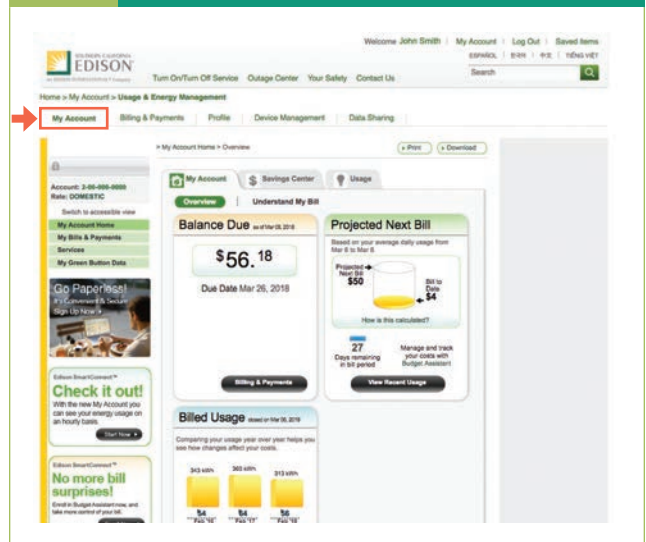

Your Participating Contractor will need to submit a copy of your recent SCE bill to the SoCalREN Energy Upgrade California® Home Upgrade Program to verify Program eligibility. This guide shows you how to download a recent copy of your SCE bill to share with your Participating Contractor.

To get started, go to www.sce.com.

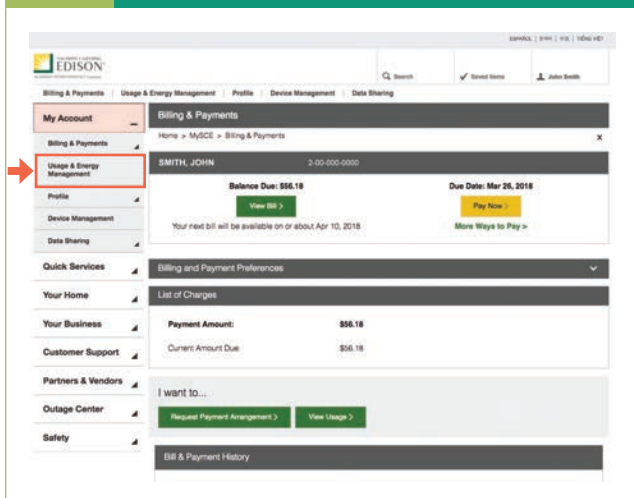

1 Enter your **User ID/Email** and **Password** to log in to your account.

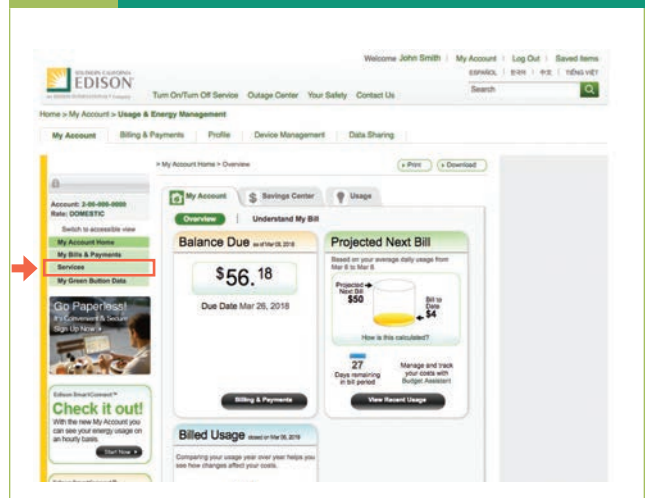

3 Select **My Account**.

2 Under **My Account**, select **Usage & Energy Management**.

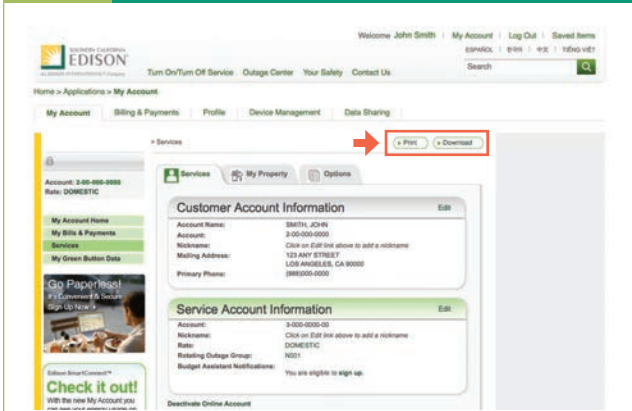

4 Select **Services**.

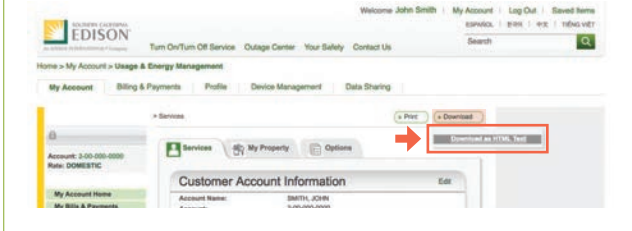

5

Select **Print** or **Download**.

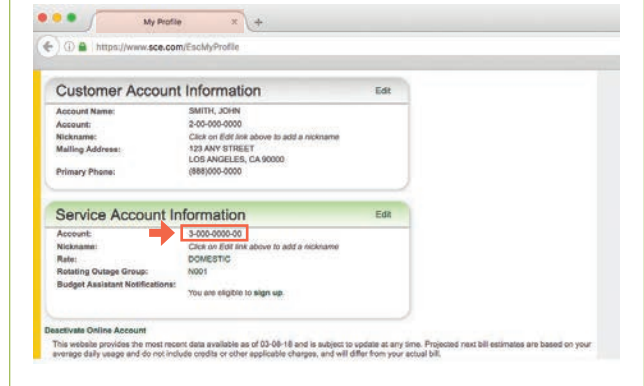

If you select **Download**, select **Download as HTML Text**.

6

A new browser window will open titled **My Profile**. Save the page as a web/HTML file. The account number that will be needed is located under **Service Account Information** and begins with a **3**.

7

Provide the printed or digital copy of the bill to your Participating Contractor. They will submit it to the SoCalREN Home Upgrade Program to verify eligibility.
